The VIRGINIAN®

A Charlottesville Tradition
Since 1923

The Virginian is lauded as "one of the south's most famous eateries" in Coy Barefoot's book, The Corner. While we certainly agree, this Charlottesville landmark has been through a lot to get where it is today. From transforming to a soda fountain during prohibition, to temporarily "going under" during World War II, The Virginian has seen its share of good times and bad.
Since opening its doors in 1923, The Virginian has had many owners, with Andy McClure taking over in 2001.
We hope you enjoy your visit as we continue to deliver the history, charm, and tradition that is The Virginian Restaurant.

Starters
